AUTUMN WINTER 2024

INTRODUCTION

Our ready-to-order AW 2024 collection is a selection of our best-selling designs and our knowledge of what will sell well in 2024 and beyond. Your selection of designs produced in the colours or prints of your choosing and a custom-branded logo heat-pressed to the inside back are sure to make any collection as iconic as any you care to mention.

We have priced our designs in two of our best-selling fabrics, both imported, recycled, and sustainably produced. These fabrics offer squat-proof, body-sculpting, and quick-drying properties.

1. For everyday wear, jogging, and the gym, select Comfort Lux, our most selected fabric, similar in hand feel and flexibility to Lulemon fabrics.
2. For high-intensity workouts & gym addicts, select Eco Olympus, produced using Power Fit yarns offering strong compression & super dry properties.

We also offer other fabrics, all imported and certified recycled. For Yoga brands, select INTER-TEX, a double-brushed textured fabric. For brands wanting to produce sports jackets or collared garments, select Nulux, an 8-Hay stretch interlock fabric with a super soft inner shell and great shape retention.

If you want to know the hand feel & texture of each fabric, purchase a [Fabric Swatch Pack](#) here

To see the fabrics and colours you can select, go to our [Fabrics & Colours page](#). There, you will find a huge range of colours, many in stock.

MOQ

Our minimum order quantity is 300 pieces per PO in as many designs, colours, and sizes as you like. For example, 150 activewear leggings and 150 sports tops, 30 per design, three pieces per size, colour, and print.

Our MOQ remains the same if you want to add some of your own custom designs to some of ours.

Whatever works for you creating your own exclusive sustainable eco friendly ethical Activewear brand, works for us.

PLACING ORDERS

You may skip sampling altogether, saving time and money, and proceed directly to your bulk PO. As the designs you order will be identical to those you see in our catalogue, produced in the fabrics and colours you selected, there's little need for samples. However, if you still would like to see some samples, fill in a [sample request form](#). To move direct to bulk, fill in a [bulk order form](#).

If filling out forms is not your thing, send your requests via [email](#) for review in any format you feel comfortable with, such as Excel, Word, email, etc.

Once received, we'll contact you to confirm or clarify your orders or requests & discuss options & costs.

A woman with long brown hair is posing in a light green athletic outfit, consisting of a halter-neck crop top and high-waisted leggings. She is wearing white sneakers and is in a crouching position, looking towards the camera. The background is a plain, light gray.

CUSTOMIZING OUR DESIGNS

Upon receipt of your bulk PO, we heat press your custom-branded logo to the inside back of each article. We can add your branded logo to an elasticated jacquard under the bust or around the waist, custom packaging, etc. We require all artwork in Vector format in EPS, PDF, CDR, JPEG format, high resolution 300 dpi, and scale. If you require assistance, our skilled graphics team is available to assist, in most cases, free of charge.

You may also edit our designs for a small fee.

Prices on request.
