

A woman with long brown hair is sitting on a light grey floor, leaning back on her right arm and resting her left hand on her chin. She is wearing a light beige athletic top with a crisscross waistband and matching high-waisted shorts. She is also wearing white socks and white New Balance sneakers. The background is a plain, light grey wall.

INTRODUCTION

Our ready-to-order AW 2024 collection is a selection of our best-selling designs and our knowledge of what will sell well into late 2024. Whatever you designs you want to add , take note of their code before deciding on what fabric colour or print you want to produce them in. We then add your custom-branded logo as a heat-press to the inside back to make your collection as iconic as any you care to mention. All designs are priced in Eco Olympus & Comfort luxe.

Both fabrics offer squat-proof, body-sculpting, and quick-drying properties. You may also request any other fabric you see on our site.

1. For everyday wear, jogging, and the gym, select Comfort Lux, our most selected fabric, similar in hand feel and flexibility to Lululemon fabrics.
2. For high-intensity workouts & gym addicts, select Eco Olympus, produced using Power Fit yarns offering strong compression & super dry properties.

We also offer other fabrics, all imported and certified recycled such as INTER-TEX, a double-brushed textured fabric and Nulux, an 8-Way stretch interlock fabric with a super soft inner shell and great shape retention.

To know the hand feel & texture of each fabric, purchase a [Fabric Swatch Pack](#) here
