

The image is a cover for an active wear catalogue. On the left, there is a photograph of a person's midsection and legs, wearing a light green long-sleeved top and dark leggings. They are holding a dark blue long-sleeved shirt. The background of the photo is a rocky, outdoor setting. On the right, there is a solid black background. In the upper right corner of the black area, there is a 4x4 grid of small white dots. The word 'ACTIVEWEAR' is written in large, bold, white capital letters across the center. Below it, the year '2022' is written in a large, thin, white outline font. At the bottom of the black area, the text 'Ready to Go Catalogue' is written in a smaller, white, sans-serif font. There are also two small white dots to the right of this text.

ACTIVEWEAR

Ready to Go Catalogue

OUR COLLECTION

This Catalogue represents a collection of the best-selling designs we are currently receiving orders on, for delivery in early 2022. If any of our designs fit your brand ethos, then all we have to do is add a heat press in your selected fabric & colour to get you started in sampling or ordering direct to bulk. The branded heat press Logo will then be added to the back of each article & with your colour or print choices, making our collection individually yours.

You can read more on how to handle this simply & quickly on our [Ready to go Designs page](#) or our [Activewear Buyers Guide](#).

If you want to see the styles in this Catalogue on the models? Check out our [latest video](#), shot in Bali in Sept this year.

A photograph of three women from the waist down, wearing activewear. The woman on the left is wearing black leggings with white polka dots. The woman in the middle is wearing black leggings. The woman on the right is wearing light blue leggings. They are standing outdoors with green foliage in the background.

HOW TO ORDER

Ordering Samples

By far, the fastest way to get some samples in your hands is to select from our [Shop](#), all have ready-made in black, Size Small using Comfort Luxe & Eco Olympus. This not only saves on some costs but also several weeks in sampling. Max 10 days from purchase.

If you want to see the actual samples in any other fabrics, colours or prints, then fill in our [Sample Request Form](#). Allow 3-5 weeks to receive.

1. In 2-3 working days, you will receive an invoice for you to pay & get started in your own sustainable Activewear brand.

Ordering Direct to Bulk

As our 2022 Collection has been patterned & graded to International Body sizes using computerized 2D Auto Cad software & printers, as long as our size break fits yours, there is no need to sample. Some brands do & some don't. Should your sizing be slightly larger than ours, all we do is adjust our patterns digitally to make our grading fit yours. For example, LuLuLemon's size S is our size XS, making it well worth taking the time to check your sizes against our Size Guide.

You can place your orders using our [Bulk Order Form](#).

Once received & all is clear, we send you an invoice & book you into production.

See our International [Body Size Guide](#)

Send your Sample or Bulk Orders Forms via [Whatsapp](#) or [Email](#).

If you haven't already done so, you can download our [Buyers Guide](#) or read more on our [Ready to go Designs page](#). See the Fabrics & Colours available in our [Fabric Section](#).

CONTACT

Our English-speaking specialists will assist you with any questions you may have. They have good in-depth experience assisting brands in placing orders for samples or bulk. We know communication is the key to success & endeavour to reply within one working day
