Our Spring Summer 2024 collection was shot at Elite Fit in Bali Sept 2023.

Ready-To-Order Collection

Our Ready to Order collection consists of the best-selling designs of 2023 & our knowledge of what will trend in design, colour & print in 2024.

Select the styles you want to add to your collection using this [form](#).

Make sure to add the fabric you want to produce them in, in what colour or print & size.

Select your fabrics

Notes

Any design can be produced in any fabric, colour, or print.

We charge \$30 per design if you wish to edit our designs. For instance, making the waistbands higher/lower, adding pockets or mesh lining, etc.

Art Work

To make our designs uniquely yours, we heatpress your brand logo, washing instructions, and sizing guide into the back of each product.

Your heatpress logo and layout must be drawn in vector format in EPS, PDF, CDR, or JPEG 300 dpi, repeatable, and scalable. Contact us if you find this complex; our graphic design team will gladly assist you.

MOQ

Our minimum quantity per bulk order is 300 pieces (for example, 150 Sports tops & Leggings), 30 pieces per style, and three pieces per size, colour, and print.

The MOQ remains the same if you want to match our designs with yours.

The MOQ for mixing and matching Activewear and Swimwear is 500 pieces.

Bulk orders are packed in layers according to code colour and size, ready for sale as soon as they arrive at your doorstep.

Note

Mixing Fabrics & Colours

We can only produce designs in max two fabrics or up to three colours. For example, a pair of leggings with one fabric from around the waist & another for the legs in a combination of three colours.

Check out our [2024 Activewear Guide](#) for complete information on how to get started, our minimum order quantities, timelines, fabrics, colours, prints, and custom
